FREQUENTLY ASKED QUESTIONS

1. What areas do you serve?

We proudly serve Georgia, South Carolina, North Carolina, Tennessee, and Alabama — up to 300 miles from our Johns Creek, GA showroom.

2. Do I need to hire my own contractor?

No. We handle everything in-house — from demolition and design to cabinetry and professional installation. Our team manages your entire project from start to finish, so you don't have to coordinate with multiple contractors.

3. Do you do more than kitchens?

Yes. In addition to kitchens, we design and remodel bathrooms, laundry rooms, mudrooms, and custom closets — all with the same attention to detail and quality craftsmanship.

4. Do you help with design?

Absolutely. We guide you through every step — from layout and cabinet style to color selections, finishes, and functionality — ensuring your space is both beautiful and practical.

5. Do you work on both residential and commercial projects?

Yes. We work on residential remodels and new construction, as well as commercial projects including apartment complexes, multi-family developments, and office spaces.

6. Do you offer custom cabinet colors?

Yes. We offer a wide range of standard finishes along with fully custom paint options.

7. What type of materials do you use?

We use high-quality materials including solid wood doors and frames, plywood box construction, and durable finishes. All cabinetry includes soft-close doors and drawers.

8. Can you match an inspiration photo or design style?

Yes. Whether you have a reference photo or a specific vision, our team can design a space that closely matches your desired style.

9. How do I get started?

Simply call or text us or submit your project details online. Our team will guide you through the next steps and schedule a consultation.
